- WHY:** All proceeds of the carnival go to benefit the Laramie Project, presented by AIDS Calgary and the Miscellaneous Youth Network. The Laramie Project tells the story of the town of Laramie Wyoming after the brutal beating and death of Matthew Shepard. It allows us to examine the very human condition that proves the truth is always stranger than fiction. The play has been one of the most performed plays in North America over the last decade and has created the opportunity for dialogue about hate crimes and tolerance in our growingly diverse society.
